Fidelity Medicare Services® does not offer every plan available in your area. Currently we represent at least four organizations which offer at least five products in your area. Please contact Medicare.gov, 1-800-MEDICARE, or your local State Health Insurance Program to get information on all of your options.

Fidelity Medicare Services is operated by Fidelity Health Insurance Services, LLC ("FHIS"), and FMR LLC ("FMR") is the parent company of FHIS. Unless otherwise indicated, the information and items published in this document are provided by FHIS for informational purposes only and are not intended as tax, legal, or investment advice.

Fidelity Medicare Services ("FMS") and Fidelity Brokerage Services LLC ("FBS") are separate business entities. FMS is not a product or service of FBS. Other than certain demographic information such as name, address and date of birth, the information you provide to FMS or FBS will not be shared with the other entity. Therefore, if you want FBS to consider the information you have provided to FMS in your investment planning with FBS, you must separately provide that information to FBS.

The services described are provided by FHIS. In this capacity, FHIS acts as an insurance broker or agent (collectively referred to as a "Producer"). FHIS and its representatives are appropriately licensed in all states in which they conduct business.

FHIS and its producers are certified representatives of insurance carriers that offer Medicare Supplement insurance and of Medicare Advantage (HMO, PPO and PFFS) organizations (and stand-alone prescription drug plans) with a Medicare contract.

The insurance products are issued by third-party insurance companies, which are unaffiliated with FHIS and FMR.

FHIS earns a commission paid by the insurance company based on your enrollment in a health plan and do not receive commissions from third-party insurance companies.

ATTENTION: Medicare has neither reviewed nor endorsed the information in this document. Fidelity Medicare Services, FHIS, and FMR are not connected with or endorsed by the U.S. government or the Centers for Medicare & Medicaid Services.
