

NXP Cup – Build intelligent robots on wheels

Terms and conditions of participation (“the Agreement”)

1. Organizer:

The NXP Cup EMEA 2026/2027 Challenge (the “Challenge”) is organized by NXP Semiconductors Germany GmbH, Beiersdorfstraße 12, 22529 Hamburg, Germany (“NXP”).

2. General Information:

Registration opens in fall 2026. To be eligible for prizes, teams must register for the Challenge by January 2027 and participate in one of the qualification events. For further information on Prizes please refer to Chapter 7 – Prize of the Winning Team.

NXP will not accept responsibility for registration entries that are lost, mislaid, damaged or delayed in transit, regardless of cause, including, for example, as a result of any equipment failure, technical malfunction, systems, network, server, computer hardware or software failure of any kind.

3. Participation:

In order to participate in the Challenge, it is necessary to register via the registration tool provided by NXP and submit the displayed participation form. Registration is only possible within the registration period. Registrations received after the registration period will not be accepted. By submitting an entry, participants expressly accept and agree to be bound by this Agreement. Participants under the age of 18 years must provide written consent from their parent(s) or legal guardian(s) before registering for the Challenge. By doing so, the parent(s) or legal guardian(s) agree to the terms of this agreement on behalf of the participant. Additionally, participants under the age of 18 must also have a coordinator who is over 18 years of age and available to attend both the qualifications and finals. Without this, the team will not be eligible to participate this season.

By registering, the participant confirms that he or she is eligible to do so and eligible to claim the Prize. NXP may require a participant to provide proof that he or she is eligible to enter the Challenge.

4. Registration period:

Registration opens in fall 2026 and closes in January 2027.

5. Additional conditions of participation

Participants who have reached the minimum age of 14 years and have a residence in the country in which they are registered for school or university are eligible to participate. Coordinators have a minimum age of 18 years.

Participants must join Teams prior to registering. A Team consists of at least 1 (one) and a maximum 3 (three) participants as well as at least 1 (one) coordinator (e.g. a professor) (the “Team”). The coordinator can be a Team member if no university professor is associated with the team.

The common applicant is responsible for the correctness of the information provided and ensures that he/she has been authorized by the individual participants to disclose the information necessary to register for the Challenge.

Employees of NXP and affiliated companies involved in the conception and implementation of the Challenge and their relatives may participate in the Challenge but are not eligible for prizes.

For further details about eligibility please see the NXP Cup EMEA 2025/2026 Rules.

6. Exclusion of the Challenge

NXP reserves the right to exclude or refuse to award the Prize to any participant and/or Team in violation of this Agreement. Participants and/or Teams using unauthorized aids or otherwise obtain advantages through manipulation are subject to exclusion at NXP's discretion. If necessary, the EMEA Champions title incl. the Prize can be subsequently revoked and reclaimed.

7. Prize, notification and transmission of the Prize

The following Prizes will be awarded:

Prize for the Winning Team (the "NXP EMEA Champions Team")

The teams placing 1st, 2nd, and 3rd in the NXP Cup EMEA Finals will be awarded cash prizes. The respective prize amounts will be announced during the registration phase and communicated through official NXP Cup channels.

The NXP Cup EMEA Champions Team and the 2nd and 3rd place Teams will be announced at the NXP Cup EMEA Finals scheduled for May 2027 (exact date will be published no later than Q4 2026). The respective prizes will be paid to a bank account designated by each winning Team. The distribution of the cash prize among team members is at the sole discretion of the respective Team. During the Final event, the winning Teams will be requested to provide the bank details required for the transaction. The cash prizes will thereafter be paid via bank transfer.

The prizes will be exclusively offered to the Teams finishing in 1st, 2nd, and 3rd place. If any eligible Team does not accept its prize, NXP reserves the right to offer the respective prize to the next highest-ranking Team, subject to the same conditions as those applicable to the originally qualified Team.

Additional prizes may be determined and communicated during the registration phase and via the NXP Cup website and newsletter. Additional terms and conditions with regard to such prizes may apply.

8. Data Protection

NXP takes the protection of participants personal data very seriously and treats personal data confidentially and in accordance with the statutory data protection regulations and NXP's Privacy Policy.

Personal data is collected and processed in accordance with the NXP CUP EMEA Challenge privacy amendment. We strongly recommend you read this privacy statement.

By registering for and participating in NXP Cup events, participants acknowledge that photographs, video recordings, and other media content may be captured during the events. Such content may be used by NXP for promotional, marketing, and communication purposes and may be published through NXP-owned channels, including websites, social media platforms, newsletters, and other corporate communications. NXP will process any personal data contained in such content in accordance with applicable data protection laws and the NXP Privacy Policy.

9. Warranty and Liability

To the fullest extent permitted by law, NXP will not in any circumstances be liable for any damages, losses or expenses arising from participation in the Challenge and/or as a result of accepting the Prize, unless such damages, losses or expenses are caused by NXP, its representatives, or its vicarious agents through intentional misconduct or gross negligence, or result from the breach of essential

contractual obligations (i.e., obligations whose proper fulfillment of constitutes a condition sine qua non and on the fulfillment of which the participant regularly relies and may rely). The liability for damages arising from injury to life, body and health remain unaffected. NXP's liability for damages resulting from the breach of essential contractual obligations, however, shall be limited to the reimbursement of the foreseeable, typically occurring damages, except in the case of willful intent or gross negligence or due to injury to life, body and health.

NXP cannot be held accountable for travel cancellations due to lack of visa authorization or travel disruption. Cash value will not be provided as replacement of travel disruption or lack of visa authorization.

10. Early Cancellation of the Challenge

NXP reserves the right to cancel, suspend and/or amend and/or modify the Challenge at its sole discretion at any time without prior written notice. NXP makes use of this possibility in particular if due to technical reasons or legal reasons a proper execution of the Challenge cannot be guaranteed. In this case participants are not entitled to the Prize. If such termination is caused by the conduct of a participant, NXP may require that person to compensate for the damage incurred.

11. MISCELLANEOUS

The law of the Federal Republic of Germany applies exclusively. Should any of these conditions be or become invalid, the validity of the remaining conditions shall remain unaffected. NXP reserves the right to update this Agreement from time to time without notice and any

updated version will be effective as soon as it is published on the website.

The NXP Privacy Policy, the NXP Cup EMEA Challenge Privacy Amendment and the NXP EMEA 2025/2026 Rules form an integral part of this Agreement.
